

## Green Herby Dressing

Ingredients
6 T olive oil
2 T apple cider vinegar
1 large bunch of herbs of your choice (parsley, dill, cilantro, basil, oregano, chives, etc.)
1 garlic clove sliced or chopped
Salt & Pepper to taste

### Method

1. Remove stems of the herbs.
2. If you are using an immersion blender or blender, combine all ingredients except the salt and pepper in the blender or a small bowl. Blend until combined and the herbs are finely chopped.
3. If you are not using an immersion blender or blender, finely chop the herbs and garlic. In a small bowl, whisk together the olive oil, vinegar, chopped garlic and herbs.
4. Taste and season with salt and pepper. You may also add a touch more vinegar to taste.
